Dear Senator Gillibrand:

Last week I called your Manhattan office and asked for an appointment to discuss with your staff your position on the Comprehensive Test Ban Treaty, which must be ratified by the Senate. Thus far, I have not received a response. Attached please find over 100 petitions gathered in Bay Ridge, Brooklyn in support of the treaty.

I hope to be able to meet with someone in your Manhattan office in the near future but in the meantime on behalf of the Peace Action Bay Ridge Interfaith Peace Coalition I request that you urge the Senate to ratify the treaty, which would be beneficial to U.S. citizens' health and environment.

Thank you for your attention.

Respectfully,

Vicki McFadyen
