Dear Senator Schumer:

Last week I called your Manhattan office and asked for an appointment to discuss with your staff your position on the Comprehensive Test Ban Treaty, which must be ratified by the Senate. I was told your Manhattan office only handled personal matters.

I find it disconcerting that no one in your office is available to discuss an important issue and in order to approach you or your staff concerned citizens must travel to Washington, D.C., a burden for working people.

Attached please find over 100 petitions collected in the Bay Ridge, Brooklyn area in support of Senate ratification of the Comprehensive Test Ban Treaty.

Kindly apprise of your position on this important treaty, so beneficial to U.S. citizens' health and environment.

Thank you for your attention.

Respectfully,

Vicki McFadyen
